Introduction

TikTok Shop analytics is no longer optional — it's the competitive weapon separating 7-figure sellers from those who guess and lose. In 2026, with over 500 million products listed on TikTok Shop globally, you need an analytics platform that delivers real-time, accurate, and actionable data. FastMoss is that platform. Trusted by 3.8M+ sellers, brands, and creators, FastMoss gives you a bird's-eye view of everything happening on TikTok Shop — from trending products to top creator GPM scores and competitor GMV. This guide breaks down exactly what TikTok Shop analytics means, why it matters, and how to use FastMoss to win.

Why You Need a TikTok Shop Analytics Tool

- ■ Spot rising product trends before competitors in real-time
- ■ Track your rivals' GMV, top videos, and product launches
- ■ Identify creators with the highest GPM (earnings per thousand views)
- ■ Analyze ad creatives that generate the highest ROAS
- ■ Monitor LIVE stream performance and actual sales — not estimates
- ■ Access 1,200+ days of historical TikTok Shop data
